ABOUT THIS MONTH

Staff members experiencing our College's spring program for the first time will be amazed at its size and the tempo with which the activities move.

Older staff members expect to gear themselves to meet their additional responsibilities.

Our second semester agenda proves that "Prairie View serves." As a state institution we can hardly expect to do less. As an educational institution, we can perform no better function than that of educating our students and offering worthwhile experiences for members of other communities.

Classroom instruction must be wisely planned and thoroughly organized so that students will not fall victims to extramural activities during the coming months.

Intra-semester examinations set for March 20-21, will proceed as usual. Full cooperation with the Registrar's Office is solicited in the administering of exams on schedule and reporting grades on time.

Concerning our Visitors

Hospitality to our guests is a 'must.' It has been and will continue to be our policy to treat our visitors with courtesy and friendliness whenever they come to our campus. Being hospitable is a mark of intelligence, and we like our guests to feel that our campus personnel--both students and staff--is socially intelligent.

Sports Program

Baseball, golf and track are scheduled for the March athletic agenda.

Whatever the quality of our teams' performances, it is hoped that we, the family members, will give 100% support.

IN CLOSING

I would like to express my appreciation to each of you for your cooperation in helping to promote our program during the past month; and your continued participation is earnestly solicited.

Very truly yours,

A handwritten signature in dark ink, appearing to read 'E. B. Evans', with a long horizontal flourish extending to the right.

E. B. Evans
President
